Prayer Line: 508-865-6853
or 508-756-9854

If you or someone you know is in need of prayer, call one of the confidential prayer lines listed above.

Care for Creation Corner

"The environment...is on loan to each generation, which must then hand it on to the next." *(Laudato Si 159)*

Unused food can be composted which puts it to good use if your family does any type of gardening. Discuss the modern meaning of the phrase in Genesis 2:15 - "to keep and cultivate the garden". What is expected of us to "keep it"?

Time how long you are in the shower. Try to keep your shower to less than 4 minutes on average.

Use rechargeable batteries and eliminate the waste, consume less!! Example: Keeping your phone for 4 years instead of 2 has an environmental impact. Check storyofstuff.org

Discuss with the oldest members of your family their perspectives on protecting the environment. Express your hopes for the future.

"Being a guardian is the distinctive trait of Joseph: Being the guardian is his great mission . . . We look to Joseph as the model educator, who watches over and accompanies Jesus as he grows 'in wisdom, age and grace,' as the Gospel says. He was not Jesus' father: the father of Jesus was God, but he was a father to Jesus, he was a father to Jesus in order to help him grow. And how did he help him grow? In wisdom, age and grace."
